Memo No. 3927-29/mis 738-18-2 dt 12.6.19. Sanction was accorded for the construction of a latrine at a cost of Rs 540 and for the installation of electric lights in the mutt at a cost of Rs 480-0-0 in addition to other works. These two works have been completed and Mr. Ramayya, the managing trustee of the Hostel building submits two bills for Rs 738-5-0 for the former & Rs 480 for the latter. The 1st bill exceeds the cost of the estimate by Rs 198-5-0 738-5-0 540-0-0 198-5-0 of the explanation is that the work had to be done in a very short time & that the rates provided for in the estimate were very low. Mr. Ramayya suggests that if necessary, the Chief Engr. may be consulted as to the rates claimed by the Contractor. He also requests that the amount of the bills may be ordered to be paid at a very early date.

It is a pity the matter has been much delayed by the ~~wrong~~ incorrect procedure adopted, giving room to Mr. H. Ramiah, the Trustee entrusted with the work, to complain of serious inconvenience. His letters were dated 22nd & 27th August – almost a month ago – and if the matter had been taken up in the Supdt's office, as it should have been done, it could have been disposed of in a couple of days.
